

Calls to Action

During our time together on July 13th, we shared Calls to Action, or specific issues, opportunities, resources, and actions we are involved in or aware of in our community around social justice, activism, and spirituality. Below are the details if you'd like to get plugged in!

Continuing Our Response to Threats Against Immigrants in Washtenaw County

As we are all well aware, there is a national campaign against immigrants in our country and Washtenaw County is in no way safe from these actions. Though illegal deportation and family separation has a long history in this country, as we face growing fear-mongering and harmful action on behalf of our federal government, we are on high alert.

Join the important work of WICIR

(Washtenaw Interfaith Coalition for Immigrant Rights)

There are many ways to support our local immigrant community via WICIR including providing rides to important appointments, offering housing and supplies, fundraising for bail and legal support, political advocacy, and more.
