****ANNOUNCEMENT** NEW MONTHLY CIA EVENT!!!**

**4th Fridays from 6-8pm at Cultivate Coffee and Tap House!
Begins this month, February 22nd!**

In addition to our 2nd Saturday event at the Riverside Arts Center, we will gather for a casual monthly meet up every 4th Friday at Cultivate! This is an opportunity for CIA members to come together in a laidback setting to connect, socialize, and network. We will use it as a touchpoint to keep each other engaged in the work and supported by our community.

****This is also a great way for anyone who is curious about CIA to make their first connection, so bring friends!****

Check out our [website](#) and connect with us!

- On our "[Contact Us](#)" page, you will find a **Feedback Form** where you can share anything and everything you would like CIA to know, from what you love to how we can improve. This form also includes a list of ways to get involved with CIA, from a volunteer activist liaison position to welcome table volunteers.
- On our "[Calls to Action](#)" page, you can fill out the **Call to Action Form**, which allows you to share events and updates via our website about activism and social justice in our community; things you're involved in that you want others at CIA to know about, support, and show up for.
- On our "[CIA Resources](#)" page, you can find our **CIA Community Resources Form** where you can share resources via our website that might be supportive for the CIA community and our broader networks. Examples include spiritual events like meditation groups and yoga workshops, as well as services such as accessible health care for undocumented individuals.
